VERSE 1

CHORUS

THE HARVEST by Dottie Rambo
Final verse written by Eleanor Riley

Oh golden sheaves of grain
We're pushing now to harvest
How quickly you have ripen
Beneath the summer sun
I know your precious grain
Will yield before they perish in the field
So I must work until the day is done.

CHORUS

**Master you have placed me in the vineyard
You trusted me to tend the golden grain
I pray that you'd be pleased with me
When I lay my harvest at your feet
Cause I will never pass this way again**

Seems only yesterday
The fields were brown and barren
The seeds were fast asleep
Beneath the winter's snow
Then season brought the summer's rain
And now the fields are white again
And I'll be there
For the caring of the soil

CHORUS

The harvest now is passing
The summer will be ending
The faithful gleaning hand
Will play the welcome song
Although the reapers are but few
Unyielding loyal tried and true
Has labored for a bright and starry crown.

CHORUS

FROM A DISTANCE

From a distance the world looks blue and green
And the snow capped mountains white
From a distance the ocean meets the stream
And the eagle takes to flight
From a distance there is harmony
And it echoes through the land
It's the voice of hope
It's the voice of peace
It's the voice of every man

From a distance we all have enough
And no one is in need
And there are no guns
No bombs and no disease
No hungry mouths to feed
From a distance we are instruments
Marching to a common land
Playing songs of hope
Playing song of peace
There's a song of every man

CHORUS

God is watching us
God is watching us
God is watching us from a distance
God is watching us
God is watching us
God is watching us from a distance

From a distance you look like my friend
Even though we are at war
From a distance
I just cannot comprehend
What all this fighting is for
From a distance
There is harmony
And it echoes through the land
And it's the hope of hope
It's the love of love
It's the heart of every man

And it's the hope of hope
It's the love of love

It's the heart of every man (Chorus)
WE'VE WEATHERED STORMS BEFORE

Rough and rolling waters
Pull my ships across the sea
But I'm hidden from its fury
It's not a threat to me
Though unfriendly with the whirl winds
I'll be safe to reach the shore
I'm sailing with the Master
We've weathered storms before

CHORUS

**We've been through the rain
We've been through the wind
Waded through the tempest
Back on coast again
The man who builds the vessel
Knows it can endure
I'm sailing with the Master
We've weathered storms before**

He's teaching me to listen
Hear His laughter in the rain
See His fury in the lighting
See storms of passing things
Hears music in the thunder
And the winds are nothing more
Than a force to just remind me
We've weathered storms before

CHORUS

CALLING TODAY

Jesus is tenderly
Calling thee home
Calling today
Calling today
Why from the sunshine of love
Wilt thou roam
Farther and farther away

CHORUS

**Calling today
Calling today
Jesus is calling
He's tenderly calling today**

Jesus is calling
The weary to rest
Calling today
Calling today
Bring Him thy burden
And thou shall be blest
He will not turn thee away

CHORUS

Jesus is calling
Softly and tenderly
Jesus is calling
Oh to the weary
Jesus is calling

Jesus is pleading
Oh list to His voice
Hear Him today
Hear Him today
They who believe
On His name shall rejoice
Quickly arise and away

CHORUS

VESSEL

There's an ocean to cross
With waves so uncertain
The foam from the billows
Surrounds like a curtain
Sometimes we have to pass over
Life's mighty tempest
But in Jesus drop anchor
And your ship will stand the test

CHORUS

**You're vessel can withstand the storm
Soon you're ship will come sailing home
The waves may be high
But to Jesus draw nigh
And you're vessel will withstand the storm**

The road is rough and long
And we try to sail our bark
The Captain He's able
To guide us through the dark
Singing shouting hallelujah
Enter in my new home
So in your struggles drop anchor
Never more again to roam

CHORUS

When my life on earth is ended
And I cross the rolling tide
In Jesus I'm anchored on the other side
Joining with the blood washed millions
As they throng the glory shore
The choirs of angles are singing
Welcome in through heaven's door.

CHORUS

HE'S COMING BACK

High upon a mountain
From where He ascended
An angel of the Lord
Declared that it would be
He said don't stand here
Grieving for the one
That you see leaving
In like manner
He's coming back for you and me

CHORUS

**And I believe He's coming back like He said
I believe that the trumpets gonna sound so loud
One day it'll wake the dead
Oh in the twinkling of an eye
He'll split the eastern sky
And I believe
He's coming back like He said**

I believe the time is nearing
That we'll soon see His appearing
This could be the hour
Oh this could be the day
When the saints from every nation
Will loose their gravitation
In the middle of the air
Be called away

CHORUS

THE DARK HILLS

God walked the dark hills
The ways and highways
He walks on the billows of life troubled sea
He walks in the cold dark night
Shadows of midnight
God walked the dark hills
To guide you and me

CHORUS

**God walked the dark hills
To guide my footsteps
He walks everywhere
By night and by day
He walks in silence
And down the highway
God walked the dark hills
To show me the way**

God walked in the storm
The rain and sunshine
He walks in the shadow
And the glimmering light
He walks o'er the mountain high
Rivers and valleys
He walked everywhere
Just to show me the way

CHORUS

Lest I forget Gethsemane
Lest I forget thine agony
Lest I forget thy love for me
Lead me to Calvary

CHORUS

OLD SHIP OF ZION
Chorus written by Eleanor Riley

I was standing on the bank of the river
Looking out over life's troubled sea
When I saw an old ship
That was sailing
Is that the old ship of Zion I see

CHORUS
I'm sailing out on the old ship of Zion
Sail away from the cares of it all
There's a light house in the distance
And it's guiding my way
Is that the old ship of Zion I see

Its hull was bent and battered
From the storms of life I could see
Waves were rough
But that old ship was steady
Is that the old ship of Zion I see

CHORUS

As I step on board
I'll be leaving
All my sorrows and heartaches behind
I'll be safe with Jesus the Captain
Sailing out on the old ship of Zion

CHORUS

FIRING LINE

If you're in the battle for the Lord and right,
Keep on the firing line;
If you win, my brother, surely you must fight,
Keep on the firing line;
There are many dangers that we all must face,
If we die still fighting it is no disgrace;
Cowards in the service will not find a place,
So keep on the firing line.

CHORUS

Oh, you must fight, be brave against all evil,
Never run, nor even lag behind;
If you would win for God and the right,
Just keep on the firing line.

God will only use the soldier He can trust,
Keep on the firing line;
If you'll wear a crown then bear the cross you must,
Keep on the firing line.

Life is but to labor for the Master dear,
Help to banish evil and to spread good cheer;
Great you'll be rewarded for your service here,
So keep on the firing line.

CHORUS

When we get to heaven, brother, we'll be glad,
Keep on the firing line;
How we'll praise the Savior for the call we had,
Keep on the firing line;
When we see the souls that we have helped to win,
Leading them to Jesus, from the paths of sin,
With a shout of welcome, we will all march in,
So keep on the firing line.

CHORUS
